INFORMATION CIRCULAR

(As at December 11, 2023, except as indicated)

The Company is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the annual general meeting (the "**Meeting**") of the Company to be held at 10th Floor, 595 Howe Street, Vancouver, British Columbia, on January 25, 2024, at the hour of 3:00 p.m., Vancouver Time. Unless the context otherwise requires, references herein to the "Company" mean the Company and its subsidiaries. The Company will conduct its solicitation by mail and e-mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of this solicitation.

Registered shareholders and non-registered shareholders will be distributed proxy-related materials pursuant to the "notice-and-access" regime adopted by the Canadian Securities Administrators. It is anticipated that a notice with information about the notice-and-access process and voting instructions as well as a voting instruction form or proxy form will be distributed to registered and beneficial shareholders on or about December 19, 2023. The Corporation is providing only those shareholders with existing instructions on their account to receive a paper copy of the Corporation's meeting materials with paper copies of this Management Proxy Circular.

All dollar amounts in this Information Circular, unless otherwise indicated, are expressed in Canadian dollars.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders as of December 11, 2023, or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to

any matter to be acted upon, the shares will be voted accordingly. **If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.**

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent not later than 3:00 p.m. (Vancouver time) on January 23, 2023, or no later than 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the date on which the Meeting or any adjournment(s) thereof is held, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Completed forms of proxy may be deposited to the Company's registrar and transfer agent by:

1. internet by going to <https://login.odysseytrust.com/pxlogin> and clicking on LOGIN. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by internet, do not mail this proxy;
2. mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or
3. fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders (sometimes referred to as "beneficial owners") because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policies, the Corporation is distributing copies of the materials relating to the Meeting, specifically the Notice of Meeting, the Voting Instruction Form or Form of Proxy, and a Notice in the form required under the notice-and-access regime adopted by the Canadian Securities Administrators, to the Nominees or their agents for distribution to non-registered holders. In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If a non-registered holder wishes to vote by proxy, the non-registered holder should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If a non-registered holder wishes to vote at the Meeting in person, the non-registered holder should appoint himself/herself/itself as proxyholder by writing the non-registered holder's name in the space provided on the request for voting instructions or proxy provided by the Nominee and returning the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation permits the Company to forward meeting materials directly to "non-objecting beneficial owners". The Company is sending Meeting materials directly to non-objecting beneficial owners under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. In addition, the Company is paying for intermediaries to forward to "objecting beneficial owners" Meeting materials. If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

REVOCABILITY OF PROXY

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least 7 days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "**shares**"), of which 88,745,454 shares are issued and outstanding on December 11, 2023. Persons who are registered shareholders at the close of business on December 11, 2023 (the "**Record Date**") will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

An ordinary resolution submitted for approval at the Meeting must be passed by a simple majority of the votes cast, in person or by proxy, at the Meeting.

To the knowledge of the Directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company as of December 11, 2023, except as set out below:

The Company has a Stock Option Plan (defined below), the material terms of which are described below under “*Other Matters to be Acted Upon - Approval of Stock Option Plan*”. The Stock Option Plan must be approved annually.

Employment, Consulting and Management Agreements

Seaberg Consulting Agreement

On June 13, 2022, the Company entered into a consulting agreement (the “**Seaberg Consulting Agreement**”) with John Seaberg to act as CEO, on a full-time basis, at a salary of US\$238,800 per year and with an initial grant of 2,500,000 options exercisable at \$0.10 per share for a period of five years, vesting as to 50% on the date of grant and 50% on the six-month anniversary of the date of grant. The term of the Seaberg Consulting Agreement is one year, however, if after the first year neither party has terminated the Seaberg Consulting Agreement, his engagement will continue on a month-to-month basis and his compensation will be reviewed annually. Mr. Seaberg will also be eligible to be considered for an annual performance bonus based on factors determined between the Company and Mr. Seaberg, including the amount of capital raised during the year, average trading volume and analyst coverage. The Seaberg Consulting Agreement may be terminated by either party on 30-days notice, but if it is terminated other than for cause:

- (a) Mr. Seaberg will be entitled to six months severance pay plus an additional month’s pay for each completed year of service up to a maximum of 18 months; and
- (b) if termination occurs within 12 months after a Change of Control of the Company he will be entitled to a further 6 months pay.

The Seaberg Consulting Agreement was terminated effective June 30, 2023.

Seaberg Advisory Agreement

On June 30, 2023, the Company entered into an advisory agreement (the “**Seaberg Advisory Agreement**”) with John Seaberg to act as advisor to the Company, whereby Mr. Seaberg may receive stock options as remuneration. The term of the Seaberg Advisory Agreement was until October 2, 2023.

Klein Employment Agreement

The Company entered into an employment agreement with Thomas Klein to act as Vice President, Exploration, in June, 2021 (the “**Klein Employment Agreement**”), under which Mr. Klein is paid US\$165,000 per year, for an initial 12-month term, which can be terminated on one month’s notice and with an initial severance payment due of three-months’ pay and increasing by one month for each additional year of service to a maximum of six-months’ pay, and an additional three-months’ pay if Mr. Klein is terminated within twelve months of a change of control of the Company. The Klein Employment Agreement continues to operate on a month-to-month basis.

Watson Consulting Agreement

At the end of the financial year ending August 31, 2023, John Watson, the Chairman, President (and Interim CEO as of June 30, 2023) agreed to waive all accrued fees for his services and to continue as Chairman and Interim CEO without payment for his services.

ASI Consulting Agreement

Ron Schmitz, the Chief Financial Officer of the Company, is not compensated directly by the Company for management services rendered on behalf of the Company as Chief Financial Officer. The Company has engaged ASI Accounting Services Inc., a company controlled by Mr. Schmitz, to provide accounting, secretarial and administrative services to the Company. Under the engagement of ASI Accounting Services Inc., Mr. Schmitz indirectly receives monetary compensation for services rendered based on the amount of time spent by him from time to time on the affairs of the Company and at his standard rates (the “**ASI Consulting Agreement**”).

The Seaberg Consulting Agreement, the Klein Employment Agreement and the Watson Consulting Agreement include provisions for payments upon termination as set forth above, but the Company has no other contract, agreement, plan or arrangement that provides for payments to a Named Executive Officer following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control of the Company or its subsidiaries, or a change in responsibilities of the NEO following a change in control.

Under the Seaberg Consulting Agreement, the estimated incremental payment to the CEO upon termination by the Company would have been US\$119,400 (as at June 30, 2023). Pursuant to the terms of Mr. Seaberg’s resignation and the termination of the Seaberg Consulting Agreement, there were no incremental payments, including, without limitation, severance payments, made or owing to Mr. Seaberg upon termination of the Seaberg Consulting Agreement.

Under the Klein Employment Agreement, the estimated incremental payment to the Vice President, Exploration upon termination by the Company was US\$68,750 (as at August 31, 2023). In the event that, following a change of control of the Company, the Vice President, Exploration resigns, is terminated or is subject to a reduction in capacity, the estimated incremental payment was US\$110,000 (as at August 31, 2023) based upon an amount equal to eight months’ pay.

Under the Watson Consulting Agreement, Mr. Watson is entitled to payment of an amount equal to six times his monthly consulting fee in the event of a termination for any reason other than gross negligence or willful misconduct. The Watson Consulting Agreement also provides that Mr. Watson would be entitled to receive payment equal to 1.5 times his annual compensation if, following a change of control of the Company, he is terminated, he resigns or is subject to a reduction in capacity.

Under the terms of the Watson Consulting Agreement, the estimated incremental payment to the Chairman upon termination by the Company was US\$12,000 (as at August 31, 2023). In the event that, following a change of control of the Company, the Chairman resigns, is terminated or is subject to a reduction in capacity, the estimated incremental payment was US\$36,000 (as at August 31, 2023) based upon an amount equal to 18 months’ fees, plus the option value (\$Nil as at August 31, 2023, using the closing price at year end less the exercise price) of his existing stock options, which continue to be exercisable for 12 months after termination (subject to expiry on the expiry date, if earlier). In addition, the Watson Consulting Agreement provides that Mr. Watson will be paid all amounts owing under his agreement at the time of termination, which amount, at August 31, 2023, is \$Nil.

Oversight and Description of Director and Named Executive Officer Compensation

The Board of Directors determines Named Executive Officer and director compensation based on recommendations from the Company's Compensation Committee. The CEO will be considered for bonus compensation that is tied to factors determined between the Company and Mr. Watson, including the amount of capital raised during the year, average trading volume and analyst coverage. The Company awards compensation in the form of money and stock options. Mr. Watson, Chairman, President and Interim CEO, Mr. Seaberg, former CEO (until June 30, 2023), and Mr. Klein, Vice President, Exploration, received regular pay for their services in the most recently completed financial year and all other monetary compensation to NEOs (defined below) is paid on the basis of fees for services rendered to the Company from time to time at the same rates charged by the NEOs for services to others.

Mr. Seaberg's compensation was negotiated in the process of his recruitment as CEO of the Company and reflects competitive compensation for the CEO's services given market value for the role and Mr. Seaberg's expertise, industry experience and skills which he brought to the Company. Mr. Klein's compensation was reviewed in June 2021, and his pay was increased to a level determined to be competitive for his services at the time. In October 2023, Mr. Klein's compensation was reduced due to current market conditions. Mr. Watson's compensation was established to recognize the various roles he plays within the Company.

The Company has a Stock Option Plan that it established to better align the interests of the Company's directors, officers and employees with the shareholders' interests. Each of the NEOs receives stock options as part of his compensation as determined by the Board.

The Company's Stock Option Plan has been and will be used to provide share purchase options, which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. The procedure the Company follows for granting options involves the CEO submitting proposed option awards for eligible optionees to the Compensation Committee from time-to-time and the Compensation Committee then considering the proposed awards and making a recommendation to the Board. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange (the "**Exchange**"), and closely align the interests of the executive officers with the interests of shareholders. The terms of the Stock Option Plan are described below under "*Other Matters to be Acted Upon - Approval of Stock Option Plan*".

The Company, at this early stage of development, believes it is appropriate to have a very simple management structure and maintain flexibility in its employment relationships through engaging consultants as needed.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement.

At no time since the commencement of the Company's most recently completed financial year has the Company relied on any of the exemptions in Sections 2.4 (*De Minimis Non-audit Services*), 6.1.1(4) (*Circumstances Affecting the Business or Operations of the Venture Issuer*), 6.1.1(5) (*Events Outside of Control of Member*), 6.1.1(6) (*Death, Incapacity or Resignation*) or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

CORPORATE GOVERNANCE DISCLOSURE

A summary of the responsibilities and activities and the membership of each of the Committees is set out below.

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted in full. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Independence of Members of Board

The Company's Board presently consists of four directors, three of whom are independent based upon the tests for independence set forth in NI 52-110. Alfred Stewart, Howard Golden and John Kerr are independent. John E. Watson is not independent as he is the Chairman, President and Interim CEO of the Company.

Management Supervision by Board

In late 2018, the Board concluded that the Company's operations do not support a large Board of Directors and the Board determined to reduce the Board to five members from seven. At the Meeting, the Company has nominated four persons for election as directors. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are however able to meet at any time without any members of management, including the non-independent directors, being present. Further supervision is performed through the Audit Committee which is composed entirely of independent directors.

Participation of Directors in Other Reporting Issuers

The participation of the directors in other reporting issuers is described in the table provided under "*Election of Directors*" in this Information Circular.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information; and
2. access to management.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has not adopted a formal written code of ethics. The Board is of the view that the requirements of the audit committee charter and the ability of Board members to refer to outside professional advisors facilitate the Company meeting ethical business standards.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Chairman assesses the functioning of the Board and its skill sets from time to time and, where a new candidate is considered beneficial, they will assess potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining exploration industry are consulted for possible candidates.

Compensation of Directors and the CEO

The members of the Compensation Committee are Alfred Stewart, Howard Golden and John Watson, of which Alfred Stewart, Howard Golden are independent. The Compensation Committee has responsibility for recommending compensation for the directors and senior management, which recommendations are then considered by the Board. For the year ended August 31, 2023, the compensation paid to the executive

officers and directors of the Company were as set forth under the heading “*Executive Compensation*” herein.

Board Committees

As the size of the Company’s operations does not warrant a larger board of directors or require additional committee work, the Board has determined that committees other than the Audit Committee and the Compensation Committee are not necessary at this stage of the Company’s development.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company’s development. As such, the Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Expectations of Management

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company’s business plan and to meet performance goals and objectives.

OTHER MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

The Board of Directors of the Company approved the Company’s current form of 10% “rolling” stock option plan (the “**Stock Option Plan**”). The Stock Option Plan incorporates certain requirements of Exchange Policy 4.4 – *Security Based Compensation*, which was amended on November 24, 2021. The information below should be read in conjunction with the Stock Option Plan. Any definitions or capitalized terms used or referenced below have the same meaning attributed to them in the Stock Option Plan which is attached to this Information Circular as Appendix “B” and will be accessible on the Company’s SEDAR+ profile at www.sedarplus.ca.

Directors, officers, employees and consultants of the Company and its subsidiaries are eligible to be granted options under the Stock Option Plan. The exercise price of the options granted is at the discretion of the Board, subject to the minimum exercise price not being less than the last closing price of the shares before the date of the stock option grant less the applicable discount under Exchange Policies (maximum of 25%). Options may be granted for a term of up to 5 years, or up to 10 years if the Company becomes classified as a Tier 1 issuer on the Exchange, and are subject to the vesting provisions determined by the directors in their discretion, if any. If an optionee ceases to be eligible to receive options under the Stock Option Plan, the optionee’s options will terminate 90 days after the optionee becomes ineligible, unless the optionee dies (in which case it is one year) or the optionee is engaged in performing investor relations services (in which case it is 30 days). The Stock Option Plan provides that if a change of control occurs, the Board of Directors may make such arrangements as it deems appropriate for the exercise or continuance of outstanding options, subject to Exchange approval.

Under the Stock Option Plan, the number of common shares which may be issued pursuant to options granted under the Stock Option Plan is a maximum of 10% of the issued and outstanding common shares at the time of the grant. The number of shares which may be issuable pursuant to the exercise of all outstanding options granted to insiders, at any point in time or within any 12 month period may not exceed 10% of the issued shares. In addition, the number of shares which may be issuable pursuant to the exercise

of all outstanding options granted to any one individual may not exceed 5% of the issued shares in any 12 month period or 2% if the optionee is a consultant. The Stock Option Plan also limits the number of shares which may be issuable pursuant to the exercise of all outstanding options granted to directors, officers, employees and consultants engaged in investor relations activities, collectively shall be limited to 2% of the issued shares in any 12 month period. Under Exchange policy, all such rolling stock option plans which set the number of common shares issuable under the plan at a maximum of 10% of the issued and outstanding common shares must be approved and ratified by shareholders on an annual basis.

The purpose of the Stock Option Plan is to allow the Company to grant options to directors, officers, employees and consultants, as additional compensation, and as an opportunity to participate in the success of the Company.

Therefore, at the Meeting, shareholders will be asked to pass a resolution ratifying and approving the Stock Option Plan in the following form:

“BE IT RESOLVED THAT:

- (a) the Company’s Stock Option Plan be confirmed and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares of the Company at the time of each grant be approved for granting as options; and
- (b) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote for the approval and ratification of the Stock Option Plan.

AMENDED AND RESTATED AS OF FEBRUARY 2, 2023

1. PURPOSE

This Amended and Restated 2007 Stock Option Plan (the "Plan") is intended to advance the interests of NV GOLD CORPORATION (the "Company") and its stockholders and subsidiaries by attracting, retaining and motivating the performance of selected Directors, Officers, Employees or Consultants of the Company of high calibre and potential upon whose judgment, initiative and effort, the Company is largely dependent for the successful conduct of its business, and to encourage and enable such persons to acquire and retain a proprietary interest in the Company by ownership of its stock.

2. DEFINITIONS

Unless otherwise defined in this Plan, all capitalized words will have the meanings ascribed thereto in the policies of the TSX Venture Exchange (the "Exchange"), as such policies are from time to time amended or varied (the "Policies").

3. ADMINISTRATION

3.1 Administration

The Board of Directors (the "Board") will administer the Plan on the instructions of the Board. The Board may make, amend and repeal at any time and from time to time such regulations as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations will form part of the Plan. The Board may delegate to any Director, Officer or Employee of the Company (the "Administrator") such administrative duties and powers as it may see fit.

3.2 Interpretation

The interpretation by the Board of any of the provisions of the Plan will be final and conclusive and will not be subject to any dispute by any Optionee. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder will be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such person will be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

4. SHARES OF STOCK SUBJECT TO PLAN

Options will only be granted to bona fide Directors, Employees, Consultants and Management Company Employees. Shares issued and sold under the Plan may be either authorized but unissued shares or shares held in the Company's treasury. Shares covered by an option that will have been exercised will not again be available for an option grant. If an option will

terminate for any reason (including, without limitation, the cancellation of an option pursuant to section 6.2 hereof) without being wholly exercised, the number of Shares to which such option termination relates will again be available for grant hereunder.

Additionally, no lots of Shares in an amount less than a Board Lot will be issued upon the exercise of an option unless such amount of Shares represents the balance left to be exercised under an option.

No option holder will have any of the rights of a shareholder in respect to common shares under an option until such common shares will have been paid for in full and issued by the Company. All options granted prior to the IPO will vest

only upon completion of the IPO, provided that should the aggregate number of shares issuable upon exercise of such options exceed 10% of the issued and outstanding shares at the time of completion of the IPO, the number of options granted to each eligible Participant will be rateably reduced to an aggregate of 10% of such issued and outstanding without further action required by the Company or the Optionee.

5.8 Withholding Taxes

The Company or any subsidiary may take such steps as are considered necessary or appropriate for the withholding and/or remittance of any taxes which the Company or any subsidiary is required by any law or regulation of any governmental authority whatsoever to withhold and/or remit in connection with any option grant or option exercise including, without limiting the generality of the foregoing, the withholding and/or remitting of all or any portion of any payment or the withholding of the issue of Shares to be issued upon the exercise of any option until such time as the Optionee has paid the Company or any subsidiary for any amount which the Company or subsidiary is required to withhold and/or remit with respect to such taxes.

6. OPTIONS

6.1 Duration of Option

Each option and all rights thereunder will expire on the Expiry Date.

6.2 Termination of Option

An Optionee may exercise an option in whole or in part at any time or from time to time during the period during which a particular option may be exercised. However, the Board may at any time fix a minimum or maximum number of shares which an Optionee may exercise pursuant to his option. Any option or part thereof not exercised within the Option Period will terminate and become null, void and of no further force and effect at 5:00 p.m. local time in Vancouver, British Columbia, on the Expiry Date. Subject to any additional more limiting terms as determined by the Board, the Expiry Date of an option will be the earlier of the date so fixed by the Board at the time the option is awarded and the date established, if applicable, in paragraphs (a) to (d) below.

(a) Ceasing to Hold Office

If the Optionee holds his or her option as Director of the Company and such Optionee ceases to be a Director of the Company, other than by reason of death, then the Expiry Date of the option will be the later of 12 months after the Completion of the Qualifying Transaction and 90 days after the date the Optionee ceases to be a Director of the Company.

(b) Ceasing to be Employed

If the Optionee holds his or her option as an Employee, Consultant or Management Company Employee of the Company and such Optionee ceases to be an Employee, Consultant or Management Company Employee of the Company, other than by reason of death, then the Expiry Date of the option will be the later of 12 months after the Completion of the Qualifying Transaction and 90 days after the date the Optionee ceases to be an Employee, Consultant or Management Company Employee of the Company.

(c) Investor Relations Optionees Ceasing to be Employed

If an Optionee engaged in Investor Relations Activities ceases to be employed to perform Investor Relations Activities, other than by reason of death, then the Expiry Date of the option will be 30 days after the date the Optionee ceases to perform Investor Relations Activities for the Company.

(d) Death

If the Optionee dies, then the Expiry Date will be one year from the date of death of the Optionee. In the event of the death of an Optionee, the Optionee's option will be exercised only within one year next succeeding such death and then only:

- (i) by the person or persons to whom the Optionee's rights under the option will pass by the Optionee's will or the laws of descent and distribution; and
- (ii) to the extent that the Optionee was entitled to exercise the option at the date of the Optionee's death.

6.3 Leave of Absence

In the event an option holder will go on an approved leave of absence, the Board may make such provision respecting continuance of the option as they may deem equitable, except that in no event will any option be exercisable after the date specified in it for expiration. In making such equitable provisions for an option holder or leave of absence, the relationship between such person and the Company will be treated as continuing for the purposes of this Plan.

7. CHANGE IN CONTROL

In the event of a consolidation or merger in which the Company is not the surviving company, or in the event the common shares are converted into securities of another entity or exchanged for other consideration, or in the event of an offer for fifty percent or more of shares being made by a third party that constitutes a take-over bid as that term is defined in the Securities Act (British Columbia) or would constitute a take-over bid as that term is defined in the Securities Act (British Columbia) but for the fact that the offeree is not in British Columbia, the Board may make such arrangements as the Board deems appropriate for the exercise of outstanding options or continuance of outstanding options.

8. ASSIGNMENT OF OPTIONS

All benefits, rights and options accruing to any Optionee in accordance with the terms and conditions of the Plan will not be transferable or assignable unless specifically provided herein. During the lifetime of an Optionee and benefits, rights and options may only be exercised by the Optionee.

9. AMENDMENT AND TERMINATION

9.1 Amendments to Plan Requiring Shareholder Approval

Any amendments to the Plan or options granted thereunder, other than those described in sections 9.2 and 9.3 below, will be subject to the approval of the shareholders. For greater certainty, the Directors may not, without shareholder approval and the prior approval, if required, of the Exchange, amend or revise the terms of the Plan or of any option granted under the Plan to change:

- (a) persons eligible to be granted or issued options under the Plan;
- (b) the maximum number or percentage, as the case may be, of Shares that may be issuable under the Plan;
- (c) the method for determining the exercise price of options;
- (d) the maximum term of options;
- (e) the expiry and termination provisions applicable to options, including the addition of a blackout period;
- (f) the addition of a Net Exercise (as defined in Exchange Policies) provision; and
- (g) any method or formula for calculating prices, values or amounts under the Plan that may result in a benefit to an Optionee, including but not limited to the formula for calculating the appreciation of a Stock Appreciation Right.

- (h) increase the Plan maximum or number of shares reserved for issuance under the Plan;

9.2 Amendments To Plan Requiring Disinterested Shareholder Approval

The Directors may not, without disinterested shareholder approval and the prior approval, if required, of the Exchange, amend or revise the terms of the Plan or of any option granted under the Plan that:

- (a) increase the limitations on grants under the Plan set forth in section 5.5 above;
- (b) involve any individual option grant that would result in the limits set forth in section 5.5 to be exceeded;
- (c) reduces the exercise price of options held by insiders; and
- (d) any amendment to Security Based Compensation that results in a benefit to an insider.

For further clarity, if the Company cancels any option and within one year grants or issues a new option to the same person, that is considered an amendment.

9.3 Amendments To Plan Not Requiring Disinterested Shareholder Approval

The following types of amendments are not subject to shareholder approval as a condition to the amendment:

- (a) amendments to fix typographical errors; and
- (b) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions.

9.4 Retroactive Amendment

Subject to sections 9.1 and 9.2 hereof, the Board may from time to time retroactively amend the Plan and, with the consent of the affected Optionees, retroactively amend the terms and conditions of any options which have been theretofore awarded.

9.5 Subsequent Shareholder Approval Conditionally Permitted

Shareholder approval for the implementation or amendment of the Plan, or the grant, issuance or amendment of an option can be given at a meeting of the shareholders after the implementation or amendment of the Plan or the grant, issuance or amendment of the option, provided that: (i) in the case of a new or amended Plan, no option that is granted or issued under the new or amended Plan may be exercised; and (ii) in the case of the grant, issuance or amendment of an option, no right under any such option may be exercised, before the meeting and that all relevant information concerning the approvals sought has been fully disclosed to the shareholders prior to the meeting.

9.6 Termination

The Board may terminate the Plan at any time provided that such termination will not alter the terms or conditions of any option or impair any right of any Optionee pursuant to any option awarded prior to the date of such termination and notwithstanding such termination, the Company, such options and such Optionees will continue to be governed by the provisions of the Plan.

9.7 Agreement

The Company and every person to whom an option is awarded hereunder will be bound by and subject to the terms and conditions of the Plan.

10. APPROVALS REQUIRED FOR PLAN

The Plan must be initially approved by the Exchange and thereafter by the shareholders at every annual general meeting of the Company.
